## Authors' agreement for publication

Date: \_\_\_\_\_

Manuscript title:.....  
 .....  
 .....

1. I/We the undersigned declare that this manuscript is original, has not been published earlier and is not currently under consideration for publication elsewhere.
2. We hereby confirm that the manuscript being considered for publication in *South Asian Journal of Experimental Biology* has been approved by all the authors named in it. We also confirm that the order of authors listed in the manuscript has been approved by all of us.
3. We hereby authorize Dr./Mr./Mrs./Ms .....(name of author) to work as corresponding author and take the appropriate decision during editorial process as and when necessary, on behalf of all the authors.
4. I/We confirm that permission from our institute to publish this work has been obtained.
5. I/We confirm that ethical clearance has been obtained from the appropriate authorities for conducting this study.
6. I/We undertake complete responsibility for authenticity of the cited literature and originality of data being presented in the manuscript.
7. To the best of my/our knowledge and belief, the research work presented in this manuscript is my/our own work. Furthermore, all sources have been properly acknowledged, and the manuscript contains no plagiarism. I/We have gone through the journal plagiarism policy available at its website (<http://sajeb.org/index.php/sajeb/about/editorialPolicies>) and I/We endorse it fully.
8. I/We hereby agree to remit INR/US\$..... as manuscript handling fee (non-refundable) after acceptance of my/our manuscript by reviewer panel of the journal.
